Staff Feedback

Name: HEMANT GULABRAO AMBHORE	Designation: Assistant Professor
Department: Computer Science & Engineering	H.O.D: Prof. A. H. ROKADE

1. Are you satisfied with your current Job profile, mention yes or no? Please specify the Reasons.

YES. Despite the lock-Down situation, institute has done it's best to work in the interest of student / society.

2. What changes would you propose to elevate the level of teaching learning process at the campus?

Topics concerning the curriculum of final year student should be covered in the Expert-Talks / Workshop sessions, so as to induce more interest in the final-year students.

Any other Feedback:

Many subjects in Third / final year curriculum are specified as practical-subject only. This subject be supported with theory content included in the evaluation-scheme.

Teacher Feedback on Curriculum

Sr. No.	Description	Good	Average	poor
1	Aims and objectives of the syllabi are well defined and clear to teachers and students.	✓		
2	Syllabus is synchronized with current trend content and career orientation.		✓	
3	Curriculum motivates to grab opportunity of research, consultancies.		✓	
4	Have the freedom to adopt new techniques/ strategies of teaching such as seminar presentations, group discussions and learners' participations.		✓	
5	The books prescribed/ listed as reference materials are relevant, updated and appropriate.	✓		
6	The course/program of studies carries sufficient number of elective/optional subjects.		✓	
7	The course/syllabus has good balance between theory and application.		✓	
8	The current content of syllabus is fulfilling the need of industry, sufficient to bridge the gap between industry standards/current global scenarios and academics and enhances knowledge of functional areas of management.		✓	
9	Current syllabus adequately covers contemporary topic/global issues emerging global and national trends in management.		✓	
10	The specified contact hours stated in syllabus are sufficient to complete the coverage of syllabus as per each course by the teachers.			✓
11	Curriculum contents are in compliance with the learning outcomes as life skill, cross cutting issues gender equity, environment and sustainability, Human values. Professional ethics etc. Fundamental duties, national integration, peace, communal harmony, Human rights, social security and sensitizing the students towards national development.		✓	
12	The current syllabus meets the expectation in terms of learning values, skills knowledge, attitude, analytical abilities, applicability, relevance and practical orientation to real life situations.		✓	
13	The system followed by the university design and development of curriculum is effective.		✓	
14	The current syllabus tries to build the opportunities in terms of employability such as jobs, services and entrepreneurial attitude amongst the students.		✓	

Suggestion on Curriculum of any:

Total number of teaching hour as per the university should be increased and current practices on site should be included in the syllabus
