## 2.6 STUDENT PERFORMANCE AND LEARNING OUTCOMES

### 2.6.3 Average pass percentage of Students during last five years

## Annual Report

### Annual Report of Examination & Evaluation of Academic Year 2020-21

Shreeyash College of Engineering & Technology, Aurangabad is affiliated to Dr. Babasaheb Ambedkar Technology University, Lonere for the B. Tech (UG) and M. Tech (PG) courses of Engineering and for the MBA (PG) course it is affiliated to Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for the academic year 2020-21. The college since its establishment is making all the efforts to exhibit best teaching learning practices to the students through continual curricular development and implementation of reforms as per the guidelines of university.

The university publishes the result of all the courses by proper evaluation within the stipulated time. The examination system is well designed to test the student's knowledge and skills with the scope for betterment of their performance and to build the confidence in the students that their hard work will be rewarded appropriately. The continual evaluation method enables the students for motivated learning all throughout the semester without psychological distress. The functioning of the examination system is regularly reviewed and necessary modifications are adopted to stand the test of time and retain fidelity. For instance, the academic year 2020-21 was impacted by Corona pandemic and due to this the institute went for complete online process from internal assessment test (Class Test) to Mid-Sem Examination using Multiple Choice Question (MCQ) mode of answering, even the University Semester Examination was conducted through online mode which was based on MCQ.

The college engages in the following major activities:

1. Preparation of Academic notice and calendar, related to academic schedule of every semester based on university academic calendar.
2. Procurement and maintenance of stationery items needed for the completion of student course work like class test, oral/practical answer sheet.
3. Registration of students to the university and submission of student's enrolment data to the university.
4. Planning, organizing and conducting of internal examination (Class Test and Mid-Sem Examination).
5. Planning, organizing and conducting of End Semester practical and theory Examinations based on university guidelines.
6. Online exam form filling, approving and confirmation of the exam form by college and then by the University.
7. Submission of student marks to university related to Class Test, Mid-Sem, Term Work and Oral/Practical Examination to help the university to generate the grade sheet at university and help to distribute the grade sheets to students at college level.
8. Publication of results as per the University procedure.
9. Recommending graduates and post graduates students to receive the award of degrees by the University.
10. Printing and distribution of Transfer, Migration and course completion certificates to students.
