AURANGABAD

Department of Mechanical Engineering

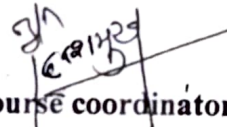

Date: 11/02/2022

**Student Notice**

All the Students of SE, TE & B. Tech. Mechanical are hereby informed that, our department going to held one week workshop on "Advanced Welding Technology" through MESA portal from 24 February to 2 march 2022.

All interested Candidate register their name towards the Prof.D.A.Deshmukh on or before 20 February 2022.

**Activity Report****Department: Mechanical Engineering****Name of the event: Short Term Training Program on Advanced Welding Technologies****Date of the event: 24/02/2022 to 02/03/2022****Class: SE,TE&BE(Mech)****Name of the Activity Coordinator: Prof. D.A.Deshmukh****Name of the Contact Person with Contact No: Prof. D.A.Deshmukh (8208625924)****Summary of the event:**

Short term training program on Advanced Welding Technologies is successfully completed with faculties and students of second year, third year and final year of mechanical engineering department. This program includes both theory and practical sessions related to Advanced welding technologies including MIG, TIG, Operating parameters and its maintenance, working environment and basics for welding machines, parts and working of welding machines with actual visit to welding shop available in the institute.

**Outcome:**

Participants are able to describe functioning and benefits of welding machine tools along with parameter setting and roll of operator. Participants are able to handle the welding gun and aware of set up. Overall the objective of this STTP is to enhance the knowledge in the field of Welding Area

# Shreeyash College of Engineering & Technology, Aurangabad

Approved by AICTE (New Delhi) & DTE (Mumbai)  
Affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere

Department of Mechanical Engineering

## Certificate of Participation

This is to certify that

Dr. Hulas. A. Jonday.

has actively participated and successfully completed the  
"Short Term Course on **Advance Welding Technology**"  
Organized by Department of Mechanical Engineering  
in association with MESA from 24<sup>th</sup> Feb. to 2<sup>th</sup> March 2022.

Prof. D. A. Deshmukh  
Course Co-ordinator

Prof. K. T. Patil  
H.M.E.D.
