Activity Report

Name of the event: Tree Plantation
Date of the event: 7th September, 2022
Faculty Coordinators: Mr. Sachin Dabhade
No. of participants: 20
Summary of the event:

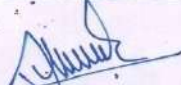

The tree plantation programme was conducted by our college under NCC unit. Faculties, staff and students from Shreeyash Pratishthan's participated in planting trees. Trees help to combat global warming by absorbing carbon dioxide, removing and storing carbon while releasing oxygen back into the air. They also reduce wind speeds and cool the air as they lose moisture and reflect heat upwards from their leaves. From birds and insects, to bats and squirrels, trees provide a canopy and a habitat for many species of wildlife. One day's worth of oxygen for a family of four is provided by a single tree.

Outcome:

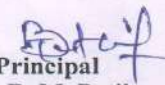

- By planting more trees, we're creating more oxygen and more fresh air to breathe.
- Trees improve soil and water conservation, store carbon, regulate temperature extremes
- 90 different types of plants planted

Name of the event: Food Donation at Maroshree Vrudhashram.
Date of the event: 7th September, 2022
Faculty Coordinators: Prof. Harshal Chothe
No. of participants: 130
Summary of the event:
A visit to Maroshree Vrudhashram. was organized by our college under National Cadet Corps (NCC Unit) Mission "Unity and Discipline".. A visit to an orphanage is a life-changing experience as it is filled with emotions and sentiments. Faculties, and staff members from Shreeyash Pratishthan's participated and distributed foods to the old peoples

Outcome:

- Visit to orphanage gives you inner peace where you learn to care and protect old peoples
- It can change your perspective towards life.

Summary of the event:

"Empowering women is key to building a future we want" Amartya Sen

The Institutions Innovation Council (IIC), NSS and all Engineering Departments of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology Aurangabad, celebrated "International Women's Day Celebration" on 11th March 2023 as there is a holiday on 08th March. This year, the international women's day 2023 theme is "DigitALL: Innovation and technology for gender equality". The focus of this event is to create awareness about digital education and the vital role of women in innovation and advanced technologies and their implementations.

A panel discussion is organized on importance of digital education for women and girls. This day acknowledges and celebrates the women and girls who are promoting the development of digital education and transformational technology. In addition to highlighting the significance of safeguarding the rights of women and girls in digital environments and tackling online and ICT-facilitated gender-based violence, the observance will investigate how the growing economic and social inequities caused by the digital gender gap. Also the purpose of the day is to upload women's achievements, recognize challenges and focus greater attention on women's rights and gender equality. At the end song writing and singing competition was organized by women and girls of the institute.

Key Objectives:

- To create awareness about digital education for women and girls.
- To know the important role of women in innovation and advance technologies.

Key Outcomes:

- Highlighted the significance of safeguarding the rights of women and girls in digital environments.
- To celebrate the achievements of women and their presence in digital environment.

Name of the event:	National Youth Day Celebration: An Elocution Competition		
Date of the event:	12 th Jan. 2023	Academic Year:	2022-23
Class of Student participants:	UG & PG students (All Branch)	Number of Student Present:	70
Accompanying Staff:	Prof. H B Chothe	Number of Faculty Present:	32
Summary of the event:			

“Arise, awake, and stop not until the goal is achieved” by Swami Vivekananda

The Institutions Innovation Council (IIC) and all Engineering Departments of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology Aurangabad, organised an “**Elocution Competition**” on the occasion of the birth anniversary of Swami Vivekananda also celebrated as national youth day (Yuva Diwas). This year, the National Youth Day 2023 theme is “Viksit Yuva-Viksit Bharat”, in India. The focus of this event is to encourage students to prepare speeches and present in front of the jury members and other participants.

The programme started with an opening remark delivered by Prof. B. A. Shukla, Asst. Prof. Dept. of Mechanical Engineering followed by a welcome address from Dr. B. M. Patil, Principal, Shreeyash College of Engineering & Technology Aurangabad.

National Youth Day is a time for all people including students and faculty members and staff to come together and celebrate the ideals and teachings of Swami Vivekananda. It is also an opportunity for all to implement the teachings and reflect on their own lives and consider how they can make a positive impact in the world. An Elocution competition has been organized on the topics such as: 1. Vivekananda's ideas and teachings for youth, 2. Youth as a change-maker through innovation and creativity, 3. Vivekananda's thoughts on education and human values, 4. Youth as a nation builder through hard work, 5. India's way toward Vishwaguru

The competition ended with a winner announcement and vote of thanks by Dr. Hulas A Tonday, HOD, Mechanical Engineering Department. All the IIC members were present on the event.

Key Objectives:

- To encourage students to express their thoughts on given topics.
- To learn and implement the teachings of Swami Vivekananda on our lives.
- To promote awareness of people's rights and to provide information about them.

Key Outcomes:

- The participants have prepared speeches and presented excellently.
- Students have learnt about the biography and teachings of Swami Vivekananda.

Name of the event:	National Science Day Celebration		
Date of the event:	28 th February 2023	Academic Year:	2023-24
Class of Student participants:	UG & PG students	Number of Student Present:	110
Accompanying Staff:	Prof. Z A Shaikh, Prof. H B Chothe	Number of Faculty Present:	20
Summary of the event:			

The Institutions Innovation Council (IIC), Shreeyash Incubation centre, and all Engineering Departments of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology Aurangabad, celebrated the "National Science Day" with focus to encourage students to know about the importance of science in human life. The theme for National Science Day- 2023 is 'Global Science for Global Wellbeing'.

The program started with an opening remark delivered by Dr. Masarrat Sultana, Professor, Civil Engineering Department & IIC-Vice President, followed by a welcome address from Dr. B. M. Patil, Principal, Shreeyash College of Engineering & Technology Aurangabad. He also talked about Sir C V Raman and his invention of the 'Raman Effect' in 1930.

Science offers answers to the biggest mysteries of universe as well as solutions to common concerns. So, one of the most significant sources of knowledge is science. It serves a number of purposes for the good of our society, including raising standards of living and advancing knowledge and education.

In this event, a science quiz competition is organized for the students to enhance their knowledge in the field of science and technology. The event is ended with announcement of winners and vote of thanks by Dr. Hulas A Tonday, HOD, Mechanical Engineering and IIC President.

Key Objectives:

- To encourage students to use science and technology for business development.
- To encourage students to know the significance of the science in human lives.
- To mark the discovery of the Raman Effect by Indian physicist Sir C. V. Raman on 28 February 1928.

Key Outcomes:

- Students learnt about the importance of science and technology in their lives.
- Created awareness about different opportunities in Innovation and science.

Name of the event: "National Pollution Prevention Day"
Date of the event: 2nd December 2022
Class: B.Tech. (All branches)
Accompanying Staff: Prof. B. A. Shukla and Dr. Masarrat Sultana
No. of participants: 45 NCC Volunteers

Summary of the event:

National Pollution prevention day was celebrated on 2nd December 2022 to raise global awareness of the need to take positive actions to protect environment. National Pollution prevention day focuses on preventing pollution and raising awareness about the ways we keep exploiting Mother Nature. A cleanliness drive was organised in the College to mark the celebration of National Pollution Prevention Day.

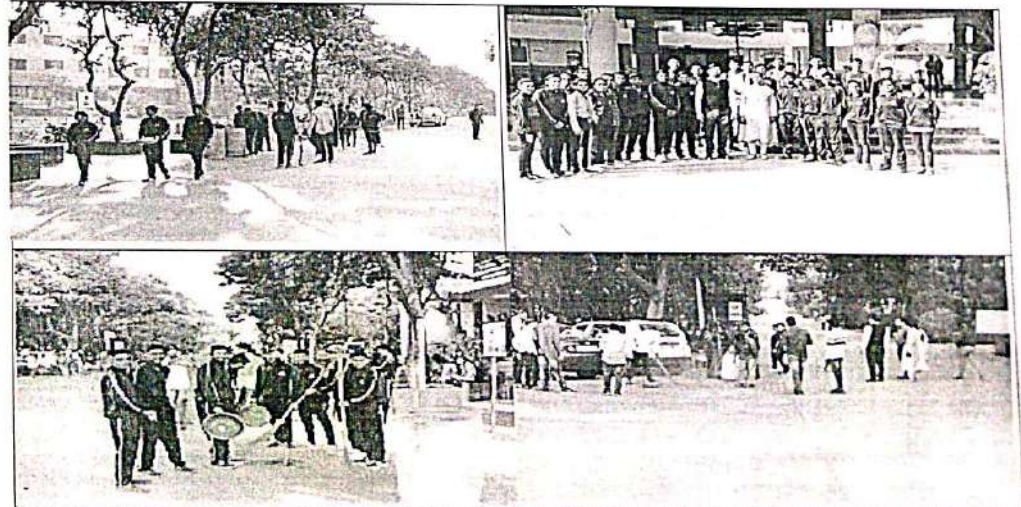

Key Outcomes:

- Students were made aware of National pollution prevention day
- Students learnt the importance of how to prevent pollution and protect our environment

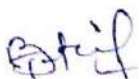

Objectives:

- To focus on creating awareness about pollution preventive methods
- To help the students for active participation in the protection of environment
- To spread awareness about the problems caused by increasing pollution

Name of the event: "World Soil day"
Date of the event: 5th December, 2022
Class: B.Tech. (All branches)
Accompanying Staff: Dr. Masarrat Sultana, Dr. H.A.Khawal, Prof. B.A.Shukla
No. of participants: 40

Summary of the event:

World soil day was celebrated on 5th December, 2022 to highlight the value of healthy soil and to promote the sustainable management of soil resources. The theme for World Soil Day 2022 was "Soils, where food begins". It highlights what else has to be done to protect soil despite campaigns to raise awareness of its value. Tree plantation was organised in the College to mark the celebration of World soil day.

Key Outcomes:

- Students were made aware of World soil day
- Students learnt the importance of planting trees and protecting the soil

Objectives:

- To raise awareness of the importance of soil for maintaining healthy ecosystems
- To increase public awareness regarding soil degradation which can lead to erosion, the loss of organic matter and a drop in soil fertility.

Date of the event: 8th February 2023
Class: B.Tech. (All branches)
Accompanying Staff: Prof. B. A. Shukla & Dr. H. A. Tonday
No. of participants: 125

Summary of the event:

On 8th February 2023 NSS volunteers along with NSS Program Officer organised a seminar on Thalassemia disease in Dr. APJ Abdul Kalam hall of Shreeyash College of Engineering & Technology. The guest speaker on the occasion was Dr. Mahendra Singh Chauhan who has done M. D. in Pathology and is expert in treatment of Thalassemia disease. The guest made us aware of the symptoms of Thalassemia disease, the precautions of it and Blood transfusion methods.

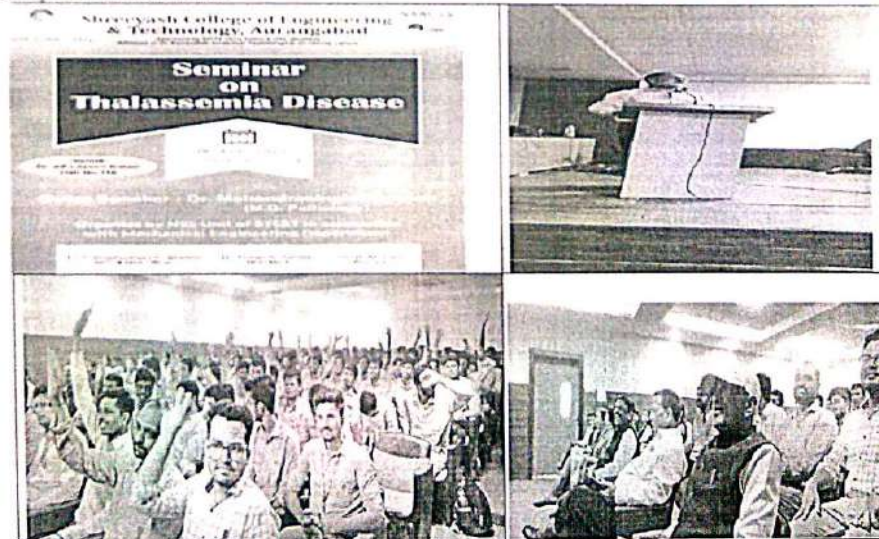

Key Outcomes:

- Students were made aware of Thalassemia disease and its symptoms
- Students learnt the importance of blood check up, blood transfusion and blood donation

Objectives:

- To raise awareness of the importance of blood donation to Thalassemia patients
- To increase public awareness regarding Chelation therapy, Bone marrow transplant and home treatment remedies of Thalassemia disease.

Name of the event: "World Water Day"
Date of the event: 23rd March 2023
Class: B.Tech. (All branches)
Accompanying Staff: Prof. B. A. Shukla & Dr. Masarrat Sultana
No. of participants: 50 NCC Cadets & NSS Volunteers

Summary of the event:

World Water Day was celebrated on 22nd March 2023 to highlight the value of fresh drinking water to promote water conservation and water harvesting. The theme for World Water Day 2023 was "Accelerating Change" to accelerate the change required to solve the water and sanitation crises. The theme signifies the importance of appropriately using water in humans daily needs. Beautiful posters were made on Water Day by NCC and NSS volunteers.

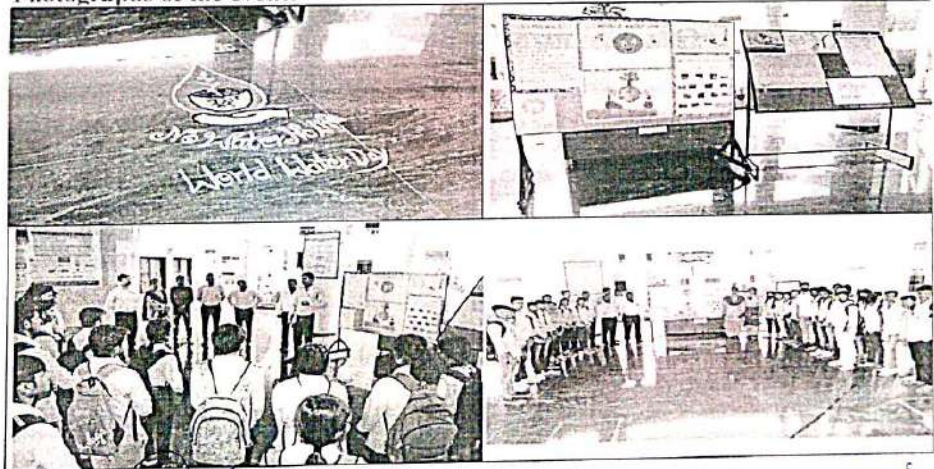

Key Outcomes:

- Students were made aware of World Water Day
- Students learnt the importance of water conservation, water percolation and water harvesting.

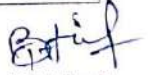

Objectives:

- To raise awareness of the importance of conservation of fresh drinking water
- To provide knowledge to students regarding water recycling, making of fresh water from salt water by giving various countries examples.

Shreeyash College of Engineering & Technology

Department of Computer Science & Engineering

Activity Report

Name of the event: Art of Living

Date of the event: 08th October 2022

Class/ Department: Computer Science and Engineering

Expert / Guest of the event: Mrs. Sheetal Laddha

No. Of Students Present: 30

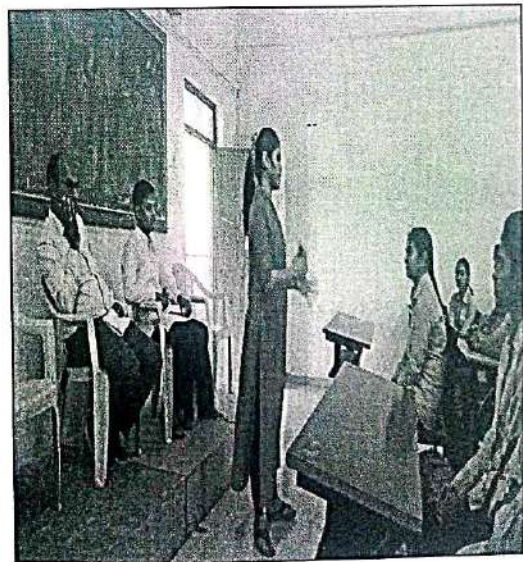

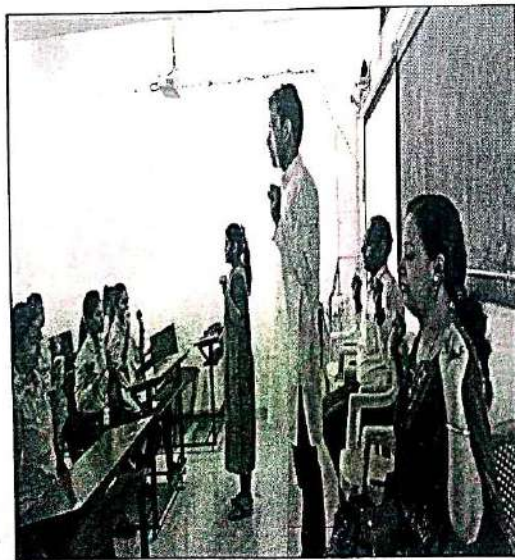

Summary of the event:

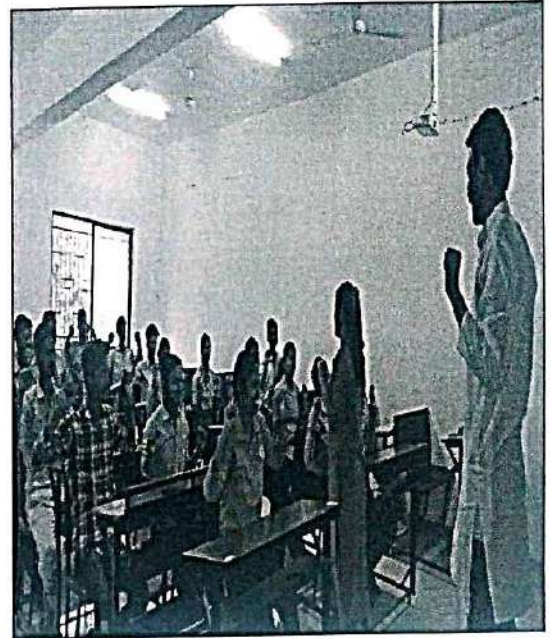

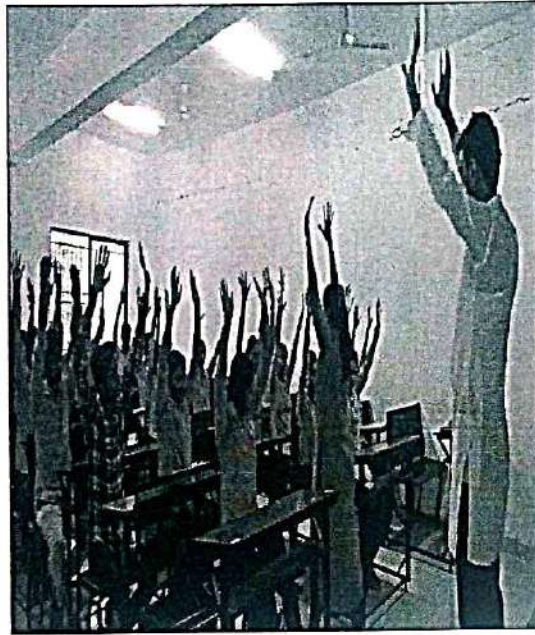

Computer Science and Engineering Department organized event on Art of Living at Shreeyash College of Engineering and Technology, Aurangabad on 08/10/2022. The Topic for the talk was 'Meditation, breathing exercises, how to focus on study and how to improve concentration'.

The Keynote Speaker was Mrs. Sheetal Laddha madam has explained all the importance of meditation and breathing exercises in our daily life. By practicing this, students can improve their concentration so that it will help them to focus on study.

Mrs. Sheetal Laddha ma'am, Dr. P.S. Deshpande ma'am (HOD CSE Department) Students & Faculty was present for this event.

Activity Report

Name of the event: Blood Donation
Date of the event: 07th September, 2022
Faculty Coordinators: Prof. Brigebhushan Shukla,
No. of participants: 45
Summary of the event:

To grace the occasion of Birthday of Chairman of Shreeyash Pratishthan's Hon. Basawajraj Mangrule, a blood donation camp was organized by our Institute under National Cadet Corps (NCC) Mission "Unity and Discipline". For Blood Donation is the greatest donation & a noble step in the service to humanity. Donating one unit of blood may save the lives of up to three peoples. Students, Faculties & Staff Members from Shreeyash Pratishthan's participated in Donating Blood

Outcome:

- By Blood Donating we create awareness in order to save Someone's life.
- Blood Donation Stimulates the production of new blood cells.

श्रीयश प्रतिष्ठानतर्फे भव्य रक्तदान शिबीर व वृक्षारोपण उत्साहात

आधुनिक केसरी न्यूज

औरंगाबाद : कोविड साथीच्या कठीण काळात रक्ताची उपलब्धता करण्यासाठी म्हणून श्रीयश प्रतिष्ठानतर्फे भव्य रक्तदान शिबीर व वृक्षारोपणाचे आयोजन करण्यात आले होते. श्रीयश प्रतिष्ठानचे अध्यक्ष तथा महाराष्ट्र राज्य भाजप प्रदेश उपाध्यक्ष नसवरान मंगरुळे यांच्या वाढदिवसाचे औचित्य साधून विविध सामाजिक कार्यक्रमांचे आयोजन करण्यात आले होते. या कार्यक्रमाला विशेष पाहुणे म्हणून महाराष्ट्र प्रदेश भाजपा सरचिटणीस प्रवीण घुगे उपस्थित होते. कोविड साथीमध्ये आयुर्वेदिक वनस्पतींचे अनन्यसाधारण महत्त्व लक्षात घेऊन त्यांचे रोपण करण्यात आले. गुळवेल, अस्वगंधा, शतावरी, कोरफड, तुळस इत्यादी विविध वनोपधीचे

रोपण, संवर्धन व त्यापासून आयुर्वेदिक औषधी तयार करणे हा मूळ उद्देश्य होत. यानंतर रक्तदान शिबिराचे आयोजन करण्यात आले. त्यात महाविद्यालयातील शिक्षक व शिक्षकेतर

कर्मचाऱ्यांकडून मोठ्या प्रमाणात रक्तदान करण्यात आले. या कार्यक्रमानंतर शिक्षकदिन सर्व शिक्षक व शिक्षकेतर कर्मचाऱ्यांसोबत साजरा करण्यात आला. यामध्ये उत्कृष्ट कामगिरीबद्दल

शिक्षक व शिक्षकेतर कर्मचाऱ्यांचा सत्कार करण्यात आला. यावेळी संचालक प्रभाकर माशाळकर, प्राचार्य डॉ. आर.एस. पवार, प्राचार्य जी.जी. तापडीया, उपप्राचार्य एस.डी. भोपळे, उपप्राचार्या प्रा.स्मित जोशी, महाविद्यालयाचे राष्ट्रीय सेवा योजना अधिकारी प्रा.दत्ता खाडे, सर्व विभाग प्रमुख, प्राध्यापकवृंद व शिक्षकेतर कर्मचारी उपस्थित होते. या सामाजिक कार्यक्रमाच्या यशस्वीतेसाठी प्रा. दत्ता खाडे, प्रा. अनिल रोकडे, डॉ. मरसंत सुलताना, प्रा. सचिन काकडे, प्रा. पैर्णिमा मारावार, प्रा. र्नेहल लांडे, डॉ. हुल्लास तोंडे व प्रा. विनय सोमवंशी यांनी विशेष परिश्रम घेतले. श्रीयश अभियांत्रिकी महाविद्यालयाच्या राष्ट्रीय सेवा योजनेअंतर्गत या कार्यक्रमाचे आयोजन करण्यात आले होते.

13. Yoga, meditation and Pranayam

Shreyash Pratishtan's

Shreyash College of Engineering & Technology

Satara Parisar, Beed By-Pass Road, Aurangabad - 431 010 (M.S.)

T: +91 240 6608784 / 702, F: +91 240 6608709, E: principal@sycet.org, Web: www.sycet.org & www.syp.ac.in

Name of Event: - Yoga meditation and Pranayam

Date of event: - 17/11/2022

Class: - All First-year students and Staff

Name of Guest;- Mr. Ratnakar Gore

SUMMARY: Pranayama is the yogic practice of focusing on breath. In Sanskrit, *prana* means "vital life force", and *yama* means to gain control. In yoga, breath is associated with the *prana*, thus, pranayama is a means to elevate the *prana Shakti*, or life energies. Pranayama is described in Hindu texts like the *Bhagavad Gita* and the *Yoga Sutras of Patanjali*. Later in Hatha yoga texts, it meant the complete suspension of breathing. Mr. Ratnakar Gore sir guide students for yoga and inspire for doing it every day. Students enjoying the yoga session and they decided to do it regularly.

.Out Comes:- . Students understood the importance of yoga
 . Students as well as staff also enjoy and understood the importance of yoga meditation and pranayama

Name of the event: "World Aids day"
Date of the event: 1st December, 2022
Class: B.Tech. (All branches)
Accompanying Staff: Dr. Masarrat Sultana, Dr. H.A.Khawal
No. of participants: 100

Summary of the event:

World Aids day was celebrated on 1st December, 2022. People around the world unite to show support for people living with and affected by HIV. It encourages people to unite globally to eliminate the disparities and inequities that create barriers to HIV testing, prevention and access to HIV care. A skit performance was organised in the College to mark the celebration of World Aids day.

Key Outcomes:

- Students were made aware of World Aids day
- Students learned the importance of how to protect their lives from Aids disease

Objectives:

- To raise awareness regarding Aids among the students
- To help the students to adopt protective behaviours for their health and wellbeing, show respect to and concern for others.

Name of the event: Poster presentation on "World Environment protection day"
Date of the event: 26th November, 2022
Class: B.Tech. (All branches)
Accompanying Staff: Dr. Masarrat Sultana, Dr. H.A.Khawal
No. of participants: 40

Summary of the event:

World Environment protection day was celebrated on 26th November, 2022 to raise global awareness of the need to take positive actions to protect environment. The natural resources on earth are vulnerable to many human impacts. This resulted into signing of agreements by multiple governments to prevent damage done by human activity on natural resources. A poster presentation was organised in the College to mark the celebration of World Environment protection day.

Key Outcomes:

- Students were made aware of World Environment protection day
- Students learned the importance of how to protect our environment

Objectives:

- To allow individuals to explore environmental issues, engage in problem solving and take action to improve the environment
- To help the students for active participation in the protection of environment and the prudent and rational use of natural resources.

Name of the event: "World Soil day"
Date of the event: 5th December, 2022
Class: B.Tech. (All branches)
Accompanying Staff: Dr. Masarrat Sultana, Dr. H.A.Khawal, Prof. B.A.Shukla
No. of participants: 40

Summary of the event:

World soil day was celebrated on 5th December, 2022 to highlight the value of healthy soil and to promote the sustainable management of soil resources. The theme for World Soil Day 2022 was "Soils, where food begins". It highlights what else has to be done to protect soil despite campaigns to raise awareness of its value. Tree plantation was organised in the College to mark the celebration of World soil day.

Key Outcomes:

- Students were made aware of World soil day
- Students learnt the importance of planting trees and protecting the soil

Objectives:

- To raise awareness of the importance of soil for maintaining healthy ecosystems
- To increase public awareness regarding soil degradation which can lead to erosion, the loss of organic matter and a drop in soil fertility.

Name of the event: Poster preparation on "World Ozone day"
Date of the event: 16th September, 2022
Class: B.Tech (All branches)
Accompanying Staff: Dr. Hulas Tonday and Dr. Masarrat Sultana
No. of participants: 20

Summary of the event:

World Ozone day was celebrated on 16th September, 2022. This day is marked to commemorate the signing of the Montreal Protocol, an international treaty that is designed to protect the Ozone layer by phasing out the production of numerous substances. World Ozone Day is celebrated every year globally on September 16th to initiate conversation and spread awareness on the depletion of the Ozone layer. In this perspective the students prepared posters which were displayed at the entrance.

Key Outcomes:

- Students were made aware of World Ozone day
- Students learned the importance and protection of ozone layer

Objectives:

- To identify and learn about the problems related to depletion of ozone layer
- To spread awareness about the ways those are effective in protecting the Ozone layer.
- To highlight the collective efforts that must be put in for the protection of life on the Earth.

Summary of the event:

World Environment Day is celebrated annually on 5th June and encourages awareness and action for the protection of the environment. World environment day was celebrated on 8th June, 2023. The theme of World Environment Day 2022 focussed on solutions to plastic pollution under the campaign "Beat plastic pollution". The slogan was green today and clean tomorrow. Besides, the day is aimed at raising awareness regarding environmental problems. The major goal of the annual event is to raise awareness of the value of the resources on our planet and the need to protect them. The day helps to raise awareness about the environment and the damage that human activities do to it. In this perspective the students prepared posters which were displayed at the entrance.

Objectives:

- To identify and learn about the global environmental problems
- To promote students to change their attitude towards the environment
- To raise the awareness amongst the students to take appropriate measures in order to protect the environment

Key Outcomes:

- Students were made aware of World Environment day
- Students learned the importance of conservation and protection of environment

Date of the event: 11th November, 2022
Class: B.Tech (All branches)
Accompanying Staff: Dr. Hulas Tonday and Dr. Masarrat Sultana
No. of participants: 100

Summary of the event:

National Education day was celebrated on 11th November, 2022 to commemorate the birth anniversary of Maulana Abul Kalam Azad, the first education minister of independent India, who served from 15th August 1947 until 2nd February 1958. Education should build the capacities of the spirit of inquiry, creativity, entrepreneurial and modern leadership among students and become their role model. Dr.Hulas Tonday discussed the importance of Education day and Dr.Masarrat Sultana conducted the Quiz for the participants.

Key Outcomes:

- Students were made aware of National Education day
- Students learned the importance of Azad's accomplishments as India's first Education Minister

Objectives:

- To make students learn about exemplary contributions to the field of education and institution building made by Maulana Abul Kalam Azad
- To spread awareness among the students regarding Education day
- To inspire students to work together to transform education to meet the world's needs.

Name of the event: Managing plastic pollution
Date of the event: 8th June, 2023
Class: B.Tech (All branches)
Accompanying Staff: Prof.B.A.Shukla
No. of participants: 25

Summary of the event:

Plastic waste exposed to the environment creates problems and is of significant concern for all life forms. From paper cups and stationery to plastic wrappers, campuses are notorious for producing an abundance of trash. Campus produce a large amount of plastic waste, but you can change that by getting your students on board and educating them about the effects of plastic pollution, you can make a huge difference by creating a more environmental friendly and waste free campus. The students' collected plastic waste from the campus which is very essential for protecting the environment. Creating a sustainability culture in college campus is possible by educating and raising awareness about the effects of trash on the ecosystem.

Objectives:

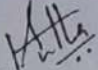

- To create awareness regarding plastic waste generation
- To promote students to change their attitude towards the environment
- To raise the awareness amongst the students to take appropriate measures in order to control plastic waste

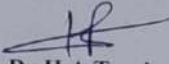

Key Outcomes:

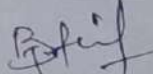

- Students were made aware of plastic waste management
- Students learned about the value of trash minimization and environmental sustainability in college campus

Name of Event: - Tree plantation

Date of event: - 17/11/ 2022

Class: - All First-year students

Name of Guest; - All Faculties of First Year

SUMMARY:

Tree planting is recognized as one of the most engaging; environment friendly activities that people can take part into better the planet. Trees provide beauty and help people feel serene, peaceful, restful and tranquil. Trees alter our environment by using their leaves to filter the air we breathe by removing dust and other particles. So on the occasion of Induction programme we were planned to do this tree plantation event

All first-year student happily participates in this tree plantation event and they understood the importance of tree plantation

Out Comes:-

- To create awareness regarding Tree Plantation
- To study the conservation and protection of the environment

Name of the event:	"International Yoga Day"
Date of the event:	21 st June 2023
Class:	All Engineering students
Hosting:	NSS Program Officer Prof. B. A. Shukla
No. of participants:	500 students

Summary of the event: The International Yoga Day 2023 was celebrated with full energy and enthusiasm on 21st June 2023 in Shreeyash College of Engineering & Technology (SYCET) Chh. Sambhajinagar. The event was organised by NSS unit of SYCET, and it was a grand and successful event in which over 500 students participated. For Yoga program five Yoga Teachers were invited and they took Yoga session from 8 am to 9 am. The Yoga teachers were felicitated by Principal of SYCET after the Yoga session.

Key Outcomes:

- The students learned the benefits of various Yoga exercises.
- The students and faculties learned that due to Yoga daily stress can be reduced and it would be helpful in studies and daily work routine without fatigue.

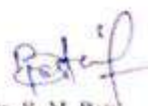

Objectives:

- To attain a higher level of consciousness.
- To practice mental hygiene.
- To enable the students to have good health.
- To possess emotional stability.
- To integrate moral activities.
- To integrate spiritual ability.
- To increase concentration and self-control.
- To increase productivity in life.

NCC Achievement in CATC 217 Camp

NCC Cadets of Shreeyash College of Engineering & Technology (SYCET) attended CATC – 217 (Combined Annual Training Camp) camp at Pravara-Loni from the period of 10th Aug 2023 to 19th Aug 2023 and they have bagged following medals in various sports events conducted in camp.

- ✓ 4 Gold Medals,
- ✓ 3 Silver Medals and
- ✓ 3 Bronze Medals in competitions like Push-ups, Sit-ups and 100 metre Relay race. In 100 m Relay race SYCET Cadets won all three Medals (Gold, Silver and Bronze).

Gold Medal Winners are as follows

1. Komal Rathod (for Sit-ups)
2. Komal Rathod (for Push-ups)
3. Komal Rathod (for 100 m Relay race)
4. Snehal Jadhav (for Sit-ups)

Silver Medal Winners are as follows

1. Shital Rathod (for Push-ups)
2. Shruti Jagtap (for Push-ups)
3. Shital Rathod (for 100 m Relay race)

Bronze Medal Winners are as follows

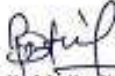

1. Shruti Jagtap (for 100 m Relay race)
2. Babasaheb Zalte (for 100 m Relay race)
3. Akshay Ghige (for Sit-ups)

One Token of Appreciation (Memento) to NCC Officer from 50 MAH BN NCC Chh. Sambhajinagar

In total SYCET Cadets won 10 Medals and 1 Token of Appreciation (Memento) to NCC Officer of SYCET. SYCET won the highest number of Medals amongst all colleges present in CATC Camp and its a proud moment for all of us.

Glimpses of CATC-217 at Pravara-Loni Camp Maharashtra

Name of the event: Sports Week of Annual Social Gathering-“Rising Rhythm-2023”

Date of the event: 5th June 2023 to 12th June 2023

Class: All Classes

Accompanying Staff: Prof.M.M.Hanmanth

Summary of the event:

The annual gathering and sports week was celebrated with enthusiasm. Various programs were organized on the theme “Transformation of India from Retro to Metro”. In Cultural programs such as Singing, Dancing, and Dramas & Fashion show were held as well as various sports competitions were also organized such as Cricket, Volleyball, Kabaddi, Badminton, Chess, Carom, Running etc.

For the Inauguration ceremony **Dr.Umesh Nagdeve** (Joint Director, RO DTE, Chh.Sambhajinagar) and Radio Jockey **Mr.R.J.Shreyas** was invited as a Chief Guest and Chairperson of the program Er. Basawaraj Mangrule was present. On that occasion College Principal Dr. B.M.Patil, CEO Joy Daniel, Manager-Admin Mr. Anil Tayade, Student President Vaibhav Rathod, Student Secretary Akshay Sarode, Head of the Department Dr.Prachi Deshpande, Prof.Jaiprakash Shastri, Dr.Jayant Mahajan, Dr.Hulas Raj Tonday, Prof.S.P.Kulkarni, Prof. Vaibhav Chavan, and all teaching & non teaching faculty members are present there.

Apart from cultural programs, various sports competitions were also organized. Cricket, volleyball, kabaddi, badminton, chess, carom, running, etc. competitions were organized in it. The Civil Engineering team won the first prize in cricket. The Civil engineering team won first prize in volleyball and the computer engineering(FE-2) team won in kabaddi. Devendra Kathar and Rutuja Patil was given first prize in Badminton competition. Shubham Joshi and Rahul Gupta were given first prize in Chess and Carrom competitions respectively. Prizes were distributed to all the winning students at the hands of all the distinguished guests. All the departmental sports co-coordinators Prof.D.A.Deshmukh, Prof.S.S.Rathod, Prof.A.D.Lahane, Dr.H.A.Khaval, Prof.H.G.Ambhore and Prof.Mandar Kshirsagar well organized and supported for make the event successful.

Outcome:

- To exhibit student’s talent, remove their stage fear, boost up confidence and teach them teamwork.
- To bring out the enthusiasm in students and to make it an extraordinary talent.
- The most important thing is to make a decision about deciding the detail of the program such as what are the activities that will be included, students participating in the events, financial estimation of the program etc.
- To bring out the teachers, students, college management and parents on the same platform to conduct and have a good time together.

Name of the event: Annual Social Gathering-“Rising Rhythm-2023”

Date of the event: 10th June 2023 to 14th June 2023

Class: All Classes

Accompanying Staff: Prof. Y. A. Kale & Prof. A. B. Vawhale

Summary of the event:

The annual gathering and sports week was celebrated with enthusiasm. Various programs were organized on the theme “Indian Culture”. In Cultural programs such as Singing, Dancing, and Dramas & Fashion show were held as well as various sports competitions were also organized such as Cricket, Volleyball, Kabaddi, Badminton, Chess, Carom, Running etc.

For the Inauguration ceremony **Dr. Umesh Nagdeve** (Joint Director, RO DTE, Chh. Sambhajinagar) and Radio Jockey **Mr. R. J. Shreyas** was invited as a Chief Guest and Chairperson of the program. Er. Basawaraj Mangrulkar was present. On that occasion College Principal Dr. B. M. Patil, CEO Joy Daniel, Manager-Admin Mr. Anil Tayade, Student President Vaibhav Rathod, Student Secretary Akshay Sarode, Head of the Department Dr. Prachi Deshpande, Prof. Jaiprakash Shastri, Dr. Jayant Mahajan, Dr. Hulas Raj Tonday, Prof. S. P. Kulkarni, Prof. Vaibhav Chavan, and all teaching & non-teaching faculty members are present there.

There was a large participation of faculties & students in different activity like Bollywood day, Mis-Match Day, Bachpan Day, Colour Day / Group Day, Traditional Day and Twins Day were celebrated.

Tejendra Kulkarni were awarded for the first prize in the singing competition and Arvind Jadhav was also awarded the second position. In dance competition, Sanjana Das came first position and Rahul Bansode was awarded for the second position.

Shubham Chandane & Group was awarded first prize in the drama competition. The group included Shubham Chandane, Kuldeep Mhaske, Tushar Gadekar, Shubham Kale, Ravikant Akate, Anurag Patil, Gopal Dongare, Anugrah Sonawane, Harshal Wagh, Kartik Karhale, Rupali Sontake, Nihal Shaikh, Supriya Mule, Vaishnavi Sukase, Rishika Awate, Priyanka Jadhav, Vaibhav Danve They have presented an excellent play on the subject of Pavankhind.

Apart from cultural programs, various sports competitions were also organized. Cricket, volleyball, kabaddi, badminton, chess, carom, running etc. competitions were organized in it. The Civil Engineering team won the first prize in cricket. The Civil engineering team won first prize in volleyball and the computer engineering (FE-2) team won in kabaddi. Devendra Kathar and Rutuja Patil was given first prize in Badminton competition. Shubham Joshi and Rahul Gupta were given first prize in Chess and Carrom competitions respectively. Prizes were distributed to all the winning students at the hands of all the distinguished guests. All the departmental sports co-coordinators Prof. D. A. Deshmukh, Prof. S. S. Rathod, Prof. A. D. Lahane, Dr. H. A. Khaval, Prof. H. G. Ambhore and Prof. Mandar Kshirsagar well organized and supported for make the event successful.

Outcome:

- To exhibit student's talent, remove their stage fear, boost up confidence and teach them teamwork.
- To bring out the enthusiasm in students and to make it an extraordinary talent.
- The most important thing is to make a decision about deciding the detail of the program such as what are the activities that will be included, students participating in the events, financial estimation of the program etc.
- To bring out the teachers, students, college management and parents on the same platform to conduct and have a good time together.
