Subject: Suggestion for up gradation of UG Syllabus from Student.

Sir,

With reference to above cited subject, currently we are referring UG 2022-23 for the up gradation of SY-B.TECH, TY-B.TECH, B.TECH 2024, we have taken curriculum feedback from our Students.

We have analyzed all the feedback and prepare summary of all report. The detail report is attached herewith for your information and necessary action, for the up gradation of SY-B.TECH, TY-B.TECH, B.TECH 2024 syllabus of Civil Engineering.

Thank you...!!

SHREEYASH COLLEGE OF ENGINEERING & TECHNOLOGY,

Academic Year: 2022-2023

Alumni Feedback on curriculum Analysis and Action Taken

Department: Mechanical

Class: SE, TE & BE

Alumni's Feedback Analysis: from Alumni's Feedback on curriculum, we have analysed following points.

- Add Artificial intelligence course in mechanical department.
- Applied Thermodynamics subject must have a compulsory laboratory.
- Add Numerical methods in mechanical engineering as course
- Add non-conventional machining process as elective for final year.
- Provide elective choice from Second year.
- Add Engineering economics, Biomechanics as electives in syllabus.

Action Taken:

The suggestions were discussed in the college committee and it was decided to take necessary action to implement.

SHREEYASH COLLEGE OF ENGINEERING & TECHNOLOGY,

Academic Year: 2022-2023

Teacher's Feedback on curriculum Analysis and Action Taken

Department: Mechanical

Class: PG

Teacher's Feedback Analysis: from Teacher's Feedback on curriculum, we have analysed following points.

- Equal distribution of elective must be required in field of design, thermal and manufacturing.
- For selection of electives must have a criterion because master degree must have specific area related degree.
- Add Computational fluid flow and heat transfer laboratory.
- syllabus must be designed according to group A, B and C. So, pass out students must be master in either Design, Thermal or manufacturing.

Action Taken:

The suggestions were discussed in the college committee and it was decided to take necessary action to implement.
