Regular meeting of Internal Quality Assurance Cell (IQAC); Feedback collected, analysed and used for improvements.

Sr. No.	Issue Raised	Action Taken
01	Pick up and drop facility of the college bus always gets delayed and there is no prompt service provided by the transport agency	College has discontinued the contract of this service provider [Ganesh Transporter A' bad] and new service provider [Jay Bhadra Transporter A 'bad] has been appointed for transportation facility
02	In the central canteen, varieties of food items are limited. On table service is also very slow	College has discontinued the contract of this catering service provider and new catering service provider has been appointed and started operating the central canteen
03	In the hostel canteen, poor food quality [varies different issues register]	College has discontinued the contract of this catering service provider and new catering service provider has been appointed and started operating the hostel canteen
04	On campus Hostel capacity is not sufficient, many students are not getting the on-campus hostel facility. Because of this few of them are started staying at private hostels outside the campus	Looking towards this situation college has built a new hostel building with increased capacity. This is will start accommodating the students very soon
05	Organizing FDPs, by the college was Zero	This year and last year organizing the FDPs, has been increased. 1 st department have organized the FDPs
06	Internet connectivity is very slow. Downloading any file, video lecture is time consuming	Internet connectivity has been increased from 155 MBPS to 500 MBPS
