### ANTI RAGGING CELL

In conformity with Supreme Court judgements and directions, UGC and AICTE guidelines and State Government Instructions, SYCET is following 'Zero-Tolerance policy' towards ragging. Any student of SYCET accused and found guilty of ragging, will be severely dealt with, in accordance with the Provisions of the Law.

Ragging has ruined countless innocent lives and careers. It is now defined as an act that violates or is perceived to violate an individual student's dignity. Ragging is totally banned in the campus and anyone found guilty of ragging and/or helping ragging is liable to be punished as it is criminal offence. SYCET College ensures strict compliance on the prevention of Ragging in the form.

#### Vision

To build a ragging free environment by instilling the principles of democratic values, tolerance, empathy, compassion and sensitivity to that students become responsible citizens

#### Mission

To create an atmosphere of discipline by passing a clear message that no act of ragging in college premises.

#### Objectives

To prohibit any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.

To bring out an awareness among the students about the consequences of ragging.

To keep a constant eye and vigilance over ragging so as to prevent its occurrence.

To address any ragging issues immediately and taken action as advised by the committee.

**Counseling:**

The institute level gender equality committee is formed which counsel students on issues like personal, psychological, emotional problem and difficulties. Counselling of students Mentors/ Tutors help mentees to overcome academic Challenges. Our college implements Teacher-Guardian scheme to counsel the students not only in academic but for their personal issues too. Counseling about gender sensitivity is also done by organizing guest lectures, seminars by eminent personalities. Students are regularly monitored by the assigned faculty member keeping track of their difficult areas in studies and their personal life. The girl students were given counselling session for inspiring them in their /studies by Motivational Speakers.

**Common Room:** Common room is the space provided to students to unwind, relax and to hold meeting to plan their events, cultural activities etc. The common room is provided with Chairs, tables, bean bags, mirrors. Separate common rooms are available for girls. The students utilize these for having lunch and also for common discussions.

### Activity Report

**Name of the event:** Blood Donation  
**Date of the event:** 07<sup>th</sup> September, 2022  
**Faculty Coordinators:** Prof. Brigebhushan Shukla,  
**No. of participants:** 45

**Summary of the event:**

To grace the occasion of Birthday of Chairman of Shreeyash Pratishthan's Hon. Basawajraj Mangrule, a blood donation camp was organized by our Institute under National Cadet Corps (NCC) Mission "Unity and Discipline". For Blood Donation is the greatest donation & a noble step in the service to humanity. Donating one unit of blood may save the lives of up to three peoples. Students, Faculties & Staff Members from Shreeyash Pratishthan's participated in Donating Blood

**Outcome:**

- By Blood Donating we create awareness in order to save Someone's life.
- Blood Donation Stimulates the production of new blood cells.

<b>Summary of the event:</b>			

The Institutions Innovation Council (IIC) of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology Aurangabad, organised an "Patriotic Song and Slogan Competition" as an activity of "Innovation & Entrepreneurship in HEIs for Aatmanirbhar Bharat & Celebrating 75 Years of Independence -Azadi Ka Amrit Mahotsav" with a focus to spread patriotic feelings among students, faculties and staff. Students across India from any discipline can participate in this competition.

The programme started with an opening remark delivered by Dr. Masarrat Sultana, Professor, Department of Civil Engineering & IIC-Vice President, followed by a welcome address from Dr. B. M. Patil, Principal, Shreeyash College of Engineering & Technology Aurangabad.

The institute has organized firstly the patriotic slogan writing contest and secondly the patriotic song singing competition for awakening the patriotism among students, faculties and staff. The maximum time allowed for patriotic slogan writing and patriotic song singing was 20 minutes and 5 minutes respectively.

These competitions are ended with vote of thanks by Dr. Hulas Raj Tonday, Associate Professor, Department of Mechanical Engineering, IIC President.

**Objectives:**

- To encourage students to write patriotic slogans and sing patriotic songs to spread patriotic feelings throughout the nation.
- To celebrate and commemorate the 75 years of independent India and the majestic history of the freedom movement.

**Outcome:**

- To create awareness regarding Azadi ka Amrit Mahotsav.
- To provide participants an opportunity to know about India's efforts for fostering Innovation.
- To showcasing the evolution and progress of India in innovation and research field.

<b>Name of the event:</b>	My Story - Motivational Session by Successful Entrepreneur/Start-up Founder		
<b>Date of the event:</b>	22 <sup>nd</sup> February, 2022	<b>Academic Year:</b>	2021- 22
<b>Class of Student participants:</b>	UG & PG students (All Branch)	<b>Number of student participants:</b>	45
<b>Accompanying Staff:</b>	Prof. H. B. Chothe	<b>Number of Faculty participants:</b>	30

**Summary of the event:**

The Institutions Innovation Council (IIC) of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology Aurangabad, organised a session on topic "My Story - Motivational Session by Successful Entrepreneur/Start-up founder" with focus on 'risk taking opportunity & critical think' 'how to build a team, raise capital, learn from failure'.

The resource person was Ms. Kajal Rajvaidya, CEO & founder of Kajal Innovation and Technical Solution, Akola, Maharashtra.

The programme started with an opening remark delivered by Dr. Masarrat Sultana, Professor, Civil Engineering Department & IIC-Vice President, followed by a welcome address from Dr. R.S. Pawar, Principal, Shreeyash College of Engineering & Technology Aurangabad.

Having the belief that anyone who wants to can be an entrepreneur, Ms. Kajal Rajvaidya speak about her success story of setting up an enterprise in the young age. She talked about idea pitching, team building, fund raising and risk taking courage of an entrepreneur. She discussed about the importance entrepreneurial skills and learn from failure, and how to deal with failure. She also enlighten the practical challenges during creation of start-ups.

The session ended with a round of discussion and vote of thanks by Dr. Hulas Raj Tonday, Associate Professor, Mechanical Engineering Department, IIC President.

**Outcome:**

- To create awareness regarding critical thinking.
- To learn about idea pitching, team building, fund raising.
- To learn from failure, and how to deal with failure as an entrepreneur.

**Objectives:**

- How to learn from successful entrepreneurs.
- To explore about challenges of start-ups and entrepreneurship.

### Activity Report

**Name of the event:** Tree Plantation  
**Date of the event:** 7<sup>th</sup> September, 2022  
**Faculty Coordinators:** Mr. Sachin Dabhade  
**No. of participants:** 20

**Summary of the event:**

The tree plantation programme was conducted by our college under NCC unit. Faculties, staff and students from Shreeyash Pratishthan's participated in planting trees. Trees help to combat global warming by absorbing carbon dioxide, removing and storing carbon while releasing oxygen back into the air. They also reduce wind speeds and cool the air as they lose moisture and reflect heat upwards from their leaves. From birds and insects, to bats and squirrels, trees provide a canopy and a habitat for many species of wildlife. One day's worth of oxygen for a family of four is provided by a single tree.

**Outcome:**

- By planting more trees, we're creating more oxygen and more fresh air to breathe.
- Trees improve soil and water conservation, store carbon, regulate temperature extremes
- 90 different types of plants planted

<b>Name of the event:</b>	<b>International Women's Day Celebration</b>		
<b>Date of the event:</b>	11 <sup>th</sup> March 2023 (instead of 08 <sup>th</sup> )	<b>Academic Year:</b>	2022-23
<b>Class of Student participants:</b>	UG & PG students (All Branch)	<b>Number of Student Present:</b>	30
<b>Accompanying Staff:</b>	Prof. Rucha Galgali, Prof. M. Kumbhar	<b>Number of Faculty Present:</b>	32

**Summary of the event:**

"Empowering women is key to building a future we want" Amartya Sen

The Institutions Innovation Council (IIC), NSS and all Engineering Departments of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology Aurangabad, celebrated "International Women's Day Celebration" on 11<sup>th</sup> March 2023 as there is a holiday on 08<sup>th</sup> March. This year, the international women's day 2023 theme is "DigitALL: Innovation and technology for gender equality". The focus of this event is to create awareness about digital education and the vital role of women in innovation and advanced technologies and their implementations.

A panel discussion is organized on importance of digital education for women and girls. This day acknowledges and celebrates the women and girls who are promoting the development of digital education and transformational technology. In addition to highlighting the significance of safeguarding the rights of women and girls in digital environments and tackling online and ICT-facilitated gender-based violence, the observance will investigate how the growing economic and social inequities caused by the digital gender gap. Also the purpose of the day is to upload women's achievements, recognize challenges and focus greater attention on women's rights and gender equality. At the end song writing and singing competition was organized by women and girls of the institute.

**Key Objectives:**

- To create awareness about digital education for women and girls.
- To know the important role of women in innovation and advance technologies.

**Key Outcomes:**

- Highlighted the significance of safeguarding the rights of women and girls in digital environments.
- To celebrate the achievements of women and their presence in digital environment.

<b>Summary of the event:</b>			

"Arise, awake, and stop not until the goal is achieved" by Swami Vivekananda

The Institutions Innovation Council (IIC) and all Engineering Departments of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology Aurangabad, organised an "**Elocution Competition**" on the occasion of the birth anniversary of Swami Vivekananda also celebrated as national youth day (Yuva Diwas). This year, the National Youth Day 2023 theme is "Viksit Yuva-Viksit Bharat", in India. The focus of this event is to encourage students to prepare speeches and present in front of the jury members and other participants.

The programme started with an opening remark delivered by Prof. B. A. Shukla, Asst. Prof. Dept. of Mechanical Engineering followed by a welcome address from Dr. B. M. Patil, Principal, Shreeyash College of Engineering & Technology Aurangabad.

National Youth Day is a time for all people including students and faculty members and staff to come together and celebrate the ideals and teachings of Swami Vivekananda. It is also an opportunity for all to implement the teachings and reflect on their own lives and consider how they can make a positive impact in the world. An Elocution competition has been organized on the topics such as: 1. Vivekananda's ideas and teachings for youth, 2. Youth as a change-maker through innovation and creativity, 3. Vivekananda's thoughts on education and human values, 4. Youth as a nation builder through hard work. 5. India's way toward Vishwaguru

The competition ended with a winner announcement and vote of thanks by Dr. Hulas A Tonday, HOD, Mechanical Engineering Department. All the IIC members were present on the event.

**Key Objectives:**

- To encourage students to express their thoughts on given topics.
- To learn and implement the teachings of Swami Vivekananda on our lives.
- To promote awareness of people's rights and to provide information about them.

**Key Outcomes:**

- The participants have prepared speeches and presented excellently.
- Students have learnt about the biography and teachings of Swami Vivekananda.

<b>Name of the event:</b>	<b>National Science Day Celebration</b>		
<b>Date of the event:</b>	28 <sup>th</sup> February 2023	<b>Academic Year:</b>	2023-24
<b>Class of Student participants:</b>	UG & PG students	<b>Number of Student Present:</b>	110
<b>Accompanying Staff:</b>	Prof. Z A Shaikh, Prof. H B Chothe	<b>Number of Faculty Present:</b>	20
<b>Summary of the event:</b>			

The Institutions Innovation Council (IIC), Shreeaysh Incubation centre, and all Engineering Departments of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology Aurangabad, celebrated the "National Science Day" with focus to encourage students to know about the importance of science in human life. The theme for National Science Day- 2023 is 'Global Science for Global Wellbeing'.

The program started with an opening remark delivered by Dr. Masarrat Sultana, Professor, Civil Engineering Department & IIC-Vice President, followed by a welcome address from Dr. B. M. Patil, Principal, Shreeyash College of Engineering & Technology Aurangabad. He also talked about Sir C V Raman and his invention of the 'Raman Effect' in 1930.

Science offers answers to the biggest mysteries of universe as well as solutions to common concerns. So, one of the most significant sources of knowledge is science. It serves a number of purposes for the good of our society, including raising standards of living and advancing knowledge and education.

In this event, a science quiz competition is organized for the students to enhance their knowledge in the field of science and technology. The event is ended with announcement of winners and vote of thanks by Dr. Hulas A Tonday, HOD, Mechanical Engineering and IIC President.

**Key Objectives:**

- To encourage students to use science and technology for business development.
- To encourage students to know the significance of the science in human lives.
- To mark the discovery of the Raman Effect by Indian physicist Sir C. V. Raman on 28 February 1928.

**Key Outcomes:**

- Students learnt about the importance of science and technology in their lives.
- Created awareness about different opportunities in Innovation and science.

Name of the event: "National Pollution Prevention Day"  
 Date of the event: 2<sup>nd</sup> December 2022  
 Class: B.Tech. (All branches)  
 Accompanying Staff: Prof. B. A. Shukla and Dr. Masarrat Sultana  
 No. of participants: 45 NCC Volunteers

**Summary of the event:**

National Pollution prevention day was celebrated on 2<sup>nd</sup> December 2022 to raise global awareness of the need to take positive actions to protect environment. National Pollution prevention day focuses on preventing pollution and raising awareness about the ways we keep exploiting Mother Nature. A cleanliness drive was organised in the College to mark the celebration of National Pollution Prevention Day.

**Key Outcomes:**

- Students were made aware of National pollution prevention day
- Students learnt the importance of how to prevent pollution and protect our environment

**Objectives:**

- To focus on creating awareness about pollution preventive methods
- To help the students for active participation in the protection of environment.
- To spread awareness about the problems caused by increasing pollution

Name of the event: "World Soil day"  
Date of the event: 5<sup>th</sup> December, 2022  
Class: B.Tech. (All branches)  
Accompanying Staff: Prof. B. A. Shukla & Dr. Masarrat Sultana  
No. of participants: 40 NSS Volunteers

**Summary of the event:**

World soil day was celebrated on 5<sup>th</sup> December, 2022 to highlight the value of healthy soil and to promote the sustainable management of soil resources. The theme for World Soil Day 2022 was "Soils, where food begins". It highlights what else has to be done to protect soil despite campaigns to raise awareness of its value. Tree plantation was organised in the College to mark the celebration of World soil day.

**Key Outcomes:**

- Students were made aware of World soil day
- Students learnt the importance of planting trees and protecting the soil

**Objectives:**

- To raise awareness of the importance of soil for maintaining healthy ecosystems
- To increase public awareness regarding soil degradation which can lead to erosion, the loss of organic matter and a drop in soil fertility.

**Name of the event:** Seminar on "Thalassemia disease"  
**Date of the event:** 8<sup>th</sup> February 2023  
**Class:** B.Tech. (All branches)  
**Accompanying Staff:** Prof. B. A. Shukla & Dr. H. A. Tonday  
**No. of participants:** 125

**Summary of the event:**

On 8<sup>th</sup> February 2023 NSS volunteers along with NSS Program Officer organised a seminar on Thalassemia disease in Dr. APJ Abdul Kalam hall of Shreeyash College of Engineering & Technology. The guest speaker on the occasion was Dr. Mahendra Singh Chauhan who has done M. D. in Pathology and is expert in treatment of Thalassemia disease. The guest made us aware of the symptoms of Thalassemia disease, the precautions of it and Blood transfusion methods.

**Key Outcomes:**

- Students were made aware of Thalassemia disease and its symptoms
- Students learnt the importance of blood check up, blood transfusion and blood donation

**Objectives:**

- To raise awareness of the importance of blood donation to Thalassemia patients
- To increase public awareness regarding Chelation therapy, Bone marrow transplant and home treatment remedies of Thalassemia disease.

Name of the event: "World Water Day"  
 Date of the event: 23<sup>rd</sup> March 2023  
 Class: B.Tech. (All branches)  
 Accompanying Staff: Prof. B. A. Shukla & Dr. Masarrat Sultana  
 No. of participants: 50 NCC Cadets & NSS Volunteers

**Summary of the event:**

World Water Day was celebrated on 22<sup>nd</sup> March 2023 to highlight the value of fresh drinking water to promote water conservation and water harvesting. The theme for World Water Day 2023 was "Accelerating Change" to accelerate the change required to solve the water and sanitation crises. The theme signifies the importance of appropriately using water in humans daily needs. Beautiful posters were made on Water Day by NCC and NSS volunteers.

**Key Outcomes:**

- Students were made aware of World Water Day
- Students learnt the importance of water conservation, water percolation and water harvesting.

**Objectives:**

- To raise awareness of the importance of conservation of fresh drinking water
- To provide knowledge to students regarding water recycling, making of fresh water from salt water by giving various countries examples.

**Name of the event:** Blood Donation  
**Date of the event:** 07<sup>th</sup> September, 2022  
**Faculty Coordinators:** Prof. Brigebhushan Shukla,  
**No. of participants:** 45

**Summary of the event:**

To grace the occasion of Birthday of Chairman of Shreeyash Pratishthan's Hon. Basawajraj Mangrulkar, a blood donation camp was organized by our Institute under National Cadet Corps (NCC) Mission "**Unity and Discipline**". For Blood Donation is the greatest donation & a noble step in the service to humanity. Donating one unit of blood may save the lives of up to three peoples. Students, Faculties & Staff Members from Shreeyash Pratishthan's participated in Donating Blood

**Outcome:**

- By Blood Donating we create awareness in order to save Someone's life.
- Blood Donation Stimulates the production of new blood cells.

**Name of Event:** - Tree plantation

**Date of event:** - 17/11/ 2022

**Class:** - All First-year students

**Name of Guest;** - All Faculties of First Year

### **SUMMARY:**

Tree planting is recognized as one of the most engaging; environment friendly activities that people can take part into better the planet. Trees provide beauty and help people feel serene, peaceful, restful and tranquil. Trees alter our environment by using their leaves to filter the air we breathe by removing dust and other particles. So, on the occasion of Induction programme, we were planned to do this tree plantation event

All first-year student happily participates in this tree plantation event and they understood the importance of tree plantation

## Out Comes:-

- To create awareness regarding Tree Plantation
- To study the conservation and protection of the environment

**Name of Event:** - Elocution Competition

**Date of event:** - 19-11-2022

**Class:** - All First-year students and Staff

**Name of Guest;** - **CEO Joy Daniel, Principal B.M. Patil sir**

**SUMMARY:**

An elocution competition is the art of public speaking that gives us self-boost and confidence to speak in front of a large audience. It enables students to create a connect with the audience who is listening to them through voice modulation. Elocution Competition of all the students of First year was conducted on 18-11-2022. Students were encouraged to speak in English on the selected topic. Students were informed of rules which are as follows.

1. Participant has to speak only in English.
2. Maximum time limit for speech will be 2 minutes.
3. The participant will be allowed to select the topic once only.
4. Participants will not be allowed to take any paper or material with him or her during the speech.
5. Judges will be looking for clarity of thought, logical organization, sincerity and the effective use of plain English

Participants were judged on the following criteria.

- a. Approach/Departure
- b. Appearance
- c. Poise/Self-confidence
- d. Facial Expressions
- e. Gestures
- f. Eye Contact
- g. Enthusiasm
- h. Clear presentation of ideas
- i. Worthwhile Message
- j. Outcome:
- k. Enhancement of communication skills of students.
- l. Students developed stage daring and public speaking quality.
- m. A sense of competition among students was developed.
- n. Students were able to do self-evaluation on the keeping communications skills and personality parameters in mind

**Out Comes:-** . Students were encouraged to speak in English
