Name of the event:	"Patriotic Song and Slogan Competition" as an activity of "Innovation & Entrepreneurship in HEIs for Aatmanirbhar Bharat & Celebrating 75 Years of Independence -Azadi Ka Amrit Mahotsav"		
Date of the event:	17 th August 2022	Academic Year:	2021-22
Class of Student participants:	UG & PG students (All Branch)	Number of student participants:	25
Accompanying Staff:	Dr. Masarrat Sultana	Number of Faculty participants:	10
Summary of the event:			

The Institutions Innovation Council (IIC) of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology Aurangabad, organised an "Patriotic Song and Slogan Competition" as an activity of "Innovation & Entrepreneurship in HEIs for Aatmanirbhar Bharat & Celebrating 75 Years of Independence -Azadi Ka Amrit Mahotsav" with a focus to spread patriotic feelings among students, faculties and staff. Students across India from any discipline can participate in this competition.

The programme started with an opening remark delivered by Dr. Masarrat Sultana, Professor, Department of Civil Engineering & IIC-Vice President, followed by a welcome address from Dr. B. M. Patil, Principal, Shreeyash College of Engineering & Technology Aurangabad.

The institute has organized firstly the patriotic slogan writing contest and secondly the patriotic song singing competition for awakening the patriotism among students, faculties and staff. The maximum time allowed for patriotic slogan writing and patriotic song singing was 20 minutes and 5 minutes respectively.

These competitions are ended with vote of thanks by Dr. Hulas Raj Tonday, Associate Professor, Department of Mechanical Engineering, IIC President.

- Objectives:**
- To encourage students to write patriotic slogans and sing patriotic songs to spread patriotic feelings throughout the nation.
 - To celebrate and commemorate the 75 years of independent India and the majestic history of the freedom movement.
- Outcome:**
- To create awareness regarding Azadi ka Amrit Mahotsav.
 - To provide participants an opportunity to know about India's efforts for fostering Innovation.
 - To showcasing the evolution and progress of India in innovation and research field.

Name of the event: Poster preparation on "World Ozone day"
Date of the event: 16th September, 2022
Class: B.Tech (All branches)
Accompanying Staff: Dr. Masarrat Sultana
No. of participants: 30

Summary of the event:

World Ozone day was celebrated on 16th September, 2022. This day is marked to commemorate the signing of the Montreal Protocol, an international treaty that is designed to protect the Ozone layer by phasing out the production of numerous substances. World Ozone Day is celebrated every year globally on September 16th to initiate conversation and spread awareness on the depletion of the Ozone layer. The Institutions Innovation Council (IIC) of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology, Aurangabad, organized a "Poster preparation" on the occasion of "World Ozone day" In this perspective the students prepared posters which were displayed at the entrance corridor of the institute.

Key Outcomes:

- Students were made aware of World Ozone day
- Students learned the importance of utilization of science and technology for a sustainable future

Objectives:

- To identify and learn about the problems related to depletion of ozone layer
- To spread awareness about the ways those are effective in protecting the Ozone layer.
- To highlight the collective efforts that must be put in for the protection of life on the Earth.

Name of the event:	"National Pollution Prevention Day"
Date of the event:	2 nd December 2022
Class:	B.Tech. (All branches)
Accompanying Staff:	Prof. B. A. Shukla and Dr. Masarrat Sultana
No. of participants:	45 NCC Volunteers

Summary of the event:

National Pollution prevention day was celebrated on 2nd December 2022 to raise global awareness of the need to take positive actions to protect environment. National Pollution prevention day focuses on preventing pollution and raising awareness about the ways we keep exploiting Mother Nature. A cleanliness drive was organised in the College to mark the celebration of National Pollution Prevention Day.

Key Outcomes:

- Students were made aware of National pollution prevention day
- Students learnt the importance of how to prevent pollution and protect our environment

Objectives:

- To focus on creating awareness about pollution preventive methods
- To help the students for active participation in the protection of environment
- To spread awareness about the problems caused by increasing pollution

Name of the event: Seminar on "Thalassemia disease"
Date of the event: 8th February 2023
Class: B.Tech. (All branches)
Accompanying Staff: Prof. B. A. Shukla & Dr. H. A. Tonday
No. of participants: 125

Summary of the event:

On 8th February 2023 NSS volunteers along with NSS Program Officer organised a seminar on Thalassemia disease in Dr. APJ Abdul Kalam hall of Shreeyash College of Engineering & Technology. The guest speaker on the occasion was Dr. Mahendra Singh Chauhan who has done M. D. in Pathology and is expert in treatment of Thalassemia disease. The guest made us aware of the symptoms of Thalassemia disease, the precautions of it and Blood transfusion methods.

Key Outcomes:

- Students were made aware of Thalassemia disease and its symptoms
- Students learnt the importance of blood check up, blood transfusion and blood donation

Objectives:

- To raise awareness of the importance of blood donation to Thalassemia patients
- To increase public awareness regarding Chelation therapy, Bone marrow transplant and home treatment remedies of Thalassemia disease.
