Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens.

BTHMC306-Basic Human Rights

Unit 1 **6 hrs**

The Basic Concepts:

Individual, Group, Civil Society, State, Equality, Justice, Human Values: - Humanity, Virtues, Compassion.

Unit 2 **6 hrs**

Human Rights and Human Duties:

Origin, Civil and Political Rights, Contribution of American Bill of Rights, French Revolution, Declaration of Independence, Rights of Citizen, Rights of working and Exploited people, Fundamental Rights and Economic program, India's Charter of freedom.

Unit 3 **6 hrs**

Society, Religion, Culture, and their Inter-Relationship:

Impact of Social Structure on Human behaviour, Roll of Socialization in Human Values, Science and Technology, Modernization, Globalization, and Dehumanization.

Unit 4 **6 hrs**

Social Structure and Social Problems:

Social and Communal Conflicts and Social Harmony, Rural Poverty, Unemployment, Bonded Labour, Migrant workers and Human Rights Violations, Human Rights of mentally and physically challenged.

Unit 5 **6 hrs**

State, Individual Liberty, Freedom and Democracy:

The changing of state with special reference to developing countries, Concept of development under development and Social action, need for Collective action in developing societies and methods of Social action, NGOs and Human Rights in India: - Land, Water, Forest issues.

Unit 6 **6 hrs**

Human Rights in Indian Constitution and Law:

The constitution of India:

- (i) Preamble
- (ii) Fundamental Rights
- (iii) Directive principles of state policy
- (iv) Fundamental Duties
- (v) Some other provisions

Universal declaration of Human Rights and Provisions of India, Constitution and Law, National Human Rights Commission and State Human Rights Commission.

Name of the event:	"Patriotic Song and Slogan Competition" as an activity of "Innovation & Entrepreneurship in HEIs for Aatmanirbhar Bharat & Celebrating 75 Years of Independence -Azadi Ka Amrit Mahotsav"		
Date of the event:	17 th August 2022	Academic Year:	2021-22
Class of Student participants:	UG & PG students (All Branch)	Number of student participants:	25
Accompanying Staff:	Dr. Masarrat Sultana	Number of Faculty participants:	10
Summary of the event:			

The Institutions Innovation Council (IIC) of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology Aurangabad, organised an "Patriotic Song and Slogan Competition" as an activity of "Innovation & Entrepreneurship in HEIs for Aatmanirbhar Bharat & Celebrating 75 Years of Independence -Azadi Ka Amrit Mahotsav" with a focus to spread patriotic feelings among students, faculties and staff. Students across India from any discipline can participate in this competition.

The programme started with an opening remark delivered by Dr. Masarrat Sultana, Professor, Department of Civil Engineering & IIC-Vice President, followed by a welcome address from Dr. B. M. Patil, Principal, Shreeyash College of Engineering & Technology Aurangabad.

The institute has organized firstly the patriotic slogan writing contest and secondly the patriotic song singing competition for awakening the patriotism among students, faculties and staff. The maximum time allowed for patriotic slogan writing and patriotic song singing was 20 minutes and 5 minutes respectively.

These competitions are ended with vote of thanks by Dr. Hulas Raj Tonday, Associate Professor, Department of Mechanical Engineering, IIC President.

Objectives:

- To encourage students to write patriotic slogans and sing patriotic songs to spread patriotic feelings throughout the nation.
- To celebrate and commemorate the 75 years of independent India and the majestic history of the freedom movement.

Outcome:

- To create awareness regarding Azadi ka Amrit Mahotsav.
- To provide participants an opportunity to know about India's efforts for fostering Innovation.
- To showcasing the evolution and progress of India in innovation and research field.

Name of the event: Poster preparation on "World Ozone day"
Date of the event: 16th September, 2022
Class: B.Tech (All branches)
Accompanying Staff: Dr. Masarrat Sultana
No. of participants: 30

Summary of the event:

World Ozone day was celebrated on 16th September, 2022. This day is marked to commemorate the signing of the Montreal Protocol, an international treaty that is designed to protect the Ozone layer by phasing out the production of numerous substances. World Ozone Day is celebrated every year globally on September 16th to initiate conversation and spread awareness on the depletion of the Ozone layer. The Institutions Innovation Council (IIC) of Shreeyash Pratishthan's Shreeyash College of Engineering & Technology, Aurangabad, organized a "Poster preparation" on the occasion of "World Ozone day" In this perspective the students prepared posters which were displayed at the entrance corridor of the institute.

Key Outcomes:

- Students were made aware of World Ozone day
- Students learned the importance of utilization of science and technology for a sustainable future

Objectives:

- To identify and learn about the problems related to depletion of ozone layer
- To spread awareness about the ways those are effective in protecting the Ozone layer.
- To highlight the collective efforts that must be put in for the protection of life on the Earth.

Accompanying Staff:	Prof. M.M.Hanumante, Prof. U.S.Mankare, Prof. P.N.Marawar
No. of participants:	16

Summary of the event:

In NCC Camp from 12th June, 2022 to 19th June, 2022 some programmes are conducted like Yoga, Tree plantation, Village cleaning, Tranches for rainwater, Bharud enlightenment, study importance to school students in BokudJalgaon Village.

Schedule of programme:

Inauguration of the programme: 13/06/22

School cleaning: 13/06/22

NCC Cadet Drill: 13/06/22

Village cleaning: 14/06/22

Pits Excavation :15/06/22.

(for Rain water Harwesting)

Bharud program:15/06/22

Yoga: 16/06/22

Tree plantation: 17/06/22

Ganghadhar (mahara) Raut motivational Discourse to our students: 18/06/22

Outcome:

- Villagers & Students aware about NCC & Its Benefits
- Students explain education importance to villagers
- Students explain importance of cleanliness to villagers
- Students explain importance of plantation to villagers
- Villagers aware about Rain water harvesting.
- Villagers & Cadets Trained All Yoga Steps by Yoga Teacher Dr. Uttam Kalwane

Activity Report

Name of the event: Blood Donation
Date of the event: 07th September, 2022
Faculty Coordinators: Prof. Brigebhushan Shukla,
No. of participants: 45
Summary of the event:

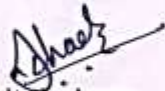

To grace the occasion of Birthday of Chairman of Shreeyash Pratishthan's Hon. Basawajraj Mangrule, a blood donation camp was organized by our Institute under National Cadet Corps (NCC) Mission "**Unity and Discipline**". For Blood Donation is the greatest donation & a noble step in the service to humanity. Donating one unit of blood may save the lives of up to three peoples. Students, Faculties & Staff Members from Shreeyash Pratishthan's participated in Donating Blood

Outcome:

- By Blood Donating we create awareness in order to save Someone's life.
- Blood Donation Stimulates the production of new blood cells.

Activity Report

Name of the event: Tree Plantation
Date of the event: 7th September, 2022
Faculty Coordinators: Mr. Sachin Dabhade
No. of participants: 20

Summary of the event:

The tree plantation programme was conducted by our college under NCC unit. Faculties, staff and students from Shreeyash Pratishthan's participated in planting trees. Trees help to combat global warming by absorbing carbon dioxide, removing and storing carbon while releasing oxygen back into the air. They also reduce wind speeds and cool the air as they lose moisture and reflect heat upwards from their leaves. From birds and insects, to bats and squirrels, trees provide a canopy and a habitat for many species of wildlife. One day's worth of oxygen for a family of four is provided by a single tree.

Outcome:

- By planting more trees, we're creating more oxygen and more fresh air to breathe.
- Trees improve soil and water conservation, store carbon, regulate temperature extremes
- 90 different types of plants planted

Name of the event:	"National Pollution Prevention Day"
Date of the event:	2 nd December 2022
Class:	B.Tech. (All branches)
Accompanying Staff:	Prof. B. A. Shukla and Dr. Masarrat Sultana
No. of participants:	45 NCC Volunteers

Summary of the event:

National Pollution prevention day was celebrated on 2nd December 2022 to raise global awareness of the need to take positive actions to protect environment. National Pollution prevention day focuses on preventing pollution and raising awareness about the ways we keep exploiting Mother Nature. A cleanliness drive was organised in the College to mark the celebration of National Pollution Prevention Day.

Key Outcomes:

- Students were made aware of National pollution prevention day
- Students learnt the importance of how to prevent pollution and protect our environment

Objectives:

- To focus on creating awareness about pollution preventive methods
- To help the students for active participation in the protection of environment
- To spread awareness about the problems caused by increasing pollution

Date of the event:	8 th February 2023
Class:	B.Tech. (All branches)
Accompanying Staff:	Prof. B. A. Shukla & Dr. H. A. Tonday
No. of participants:	125

Summary of the event:

On 8th February 2023 NSS volunteers along with NSS Program Officer organised a seminar on Thalassaemia disease in Dr. APJ Abdul Kalam hall of Shreeyash College of Engineering & Technology. The guest speaker on the occasion was Dr. Mahendra Singh Chauhan who has done M. D. in Pathology and is expert in treatment of Thalassaemia disease. The guest made us aware of the symptoms of Thalassaemia disease, the precautions of it and Blood transfusion methods.

Key Outcomes:

- Students were made aware of Thalassaemia disease and its symptoms
- Students learnt the importance of blood check up, blood transfusion and blood donation

Objectives:

- To raise awareness of the importance of blood donation to Thalassaemia patients
- To increase public awareness regarding Chelation therapy, Bone marrow transplant and home treatment remedies of Thalassaemia disease.

Summary of the event:

World Water Day was celebrated on 22nd March 2023 to highlight the value of fresh drinking water to promote water conservation and water harvesting. The theme for World Water Day 2023 was "Accelerating Change" to accelerate the change required to solve the water and sanitation crises. The theme signifies the importance of appropriately using water in humans daily needs. Beautiful posters were made on Water Day by NCC and NSS volunteers.

Key Outcomes:

- Students were made aware of World Water Day
- Students learnt the importance of water conservation, water percolation and water harvesting.

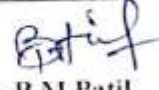

Objectives:

- To raise awareness of the importance of conservation of fresh drinking water
- To provide knowledge to students regarding water recycling, making of fresh water from salt water by giving various countries examples.
