Expert Talk on Costing & New Product Development

Date of Event:

21/02/2018

Venue of Event:

APJ Abdul Kalam Seminar Hall

Class:

TE & BE

Expert / Guest of Event

Mr. Shirish Kulkarni

Summary of Event:

Mr. Shirish Kulkarni from Sanjeev Auto had a conversation with our TE & BE (Mechanical) students on the topic 'Costing & New Product Development (NPD)' on 14/02/2018 at Dr. A. P. J. Abdul Kalam Seminar Hall. There were 128 students in total. Mr. Shirish Kulkarni explained that how the market value of any product is calculated considering all the phases from design to dispatch. He also explained the need of New Product Development (NPD). In the end, the answers to the queries raised by students were given by Mr. Shirish Kulkarni.

Outcome of Event :

Students now know the importance of costing in overall operation of any industry and how the cost of any product is determined including all the expenses and profit. Also, they now understand that when to recognize the need of New Product Development (NPD).

Expert Talk on Dispute Resolution

Date of Event:

21/02/2018

Venue of Event:

APJ Abdul Kalam Seminar Hall

Class:

BE

Expert / Guest of Event

Mr. Nitin Paithankar

Summary of Event:

Mr. Nitin Paithankar, DGM–HR, Sanjeev Auto had a conversation with our BE (Mechanical) students on the topic 'Dispute Resolution' on 21/02/2018 at Dr. A. P. J. Abdul Kalam Seminar Hall. There were 65 students in total. Mr. Paithankar explained that Dispute Forecasting is the need of hour so that we can avoid any further disputes that might happen in future. He also requested to keep ego aside while working or even in routine life to avoid disputes. In the end, a live demo of Dispute Resolution was given with participation of students.

Outcome of Event :

Students came to know that any issue is not so big if it is wisely handled in its earlier stages. Whatever may be the cause of indifference, it can be solved only with talks and interactions. Finally, they realized that anything can be achieved by cool & positive mind.
