

Best Practices

1. We Conduct National Anthem Regularly

There are responsibilities towards every member of institute for making a transparent academic environment conducive to the application of the high professional and ethical criteria of good practice for academic research.

Following are duties specified for each member of institute.

- 1) There is “Teacher Guardian Scheme” which is very beneficial to students in which one faculty allotted 15 student to take care of any problem/difficulty of the student (which include students’ Home Visit & weekly Phone Calling to the parents etc)
- 2). Weekly Academic audit and monitoring under Quality Assurance and ISO.
- 3). Motivating and providing the financial help to participate in State level competition
